

**Corrections made to the male 10K scoring.** There was an error due to an issue with the tags that was corrected after the initial scoring. We appologize, but due to the event that happened on the course, that was a higher priority. We have made the correction and all grand prix points will reflect this. Also, Awards will not be switched, however, if you were suppose to win an award and did not receive that award we will be giving you a call to pick up your trophy. Also, if it moved you from 2nd in age to 1st, we will be giving you a first award trophy. The best way to say it is if it move you up we will move up the award but if it moved you down we would not switch it.
