

BRASS

Bayou Runners Association

OCTOBER NEWSLETTER

We ask that everyone keep their thoughts and prayers with Mr. Terry Martin and his family.

The new BRASS website is finally up and operational. Please go to www.bayourunners.com and look around the site. Also, please go to the contact page and email Darren for your login name and temporary password. You can change this password once you are logged in. We ask that you log in, and check your membership information and add any information not there. Please add your email address so that you will get all of the email reminders that we send out. Also, the only way to have access to the electronic training log is to be logged into the website.

***** All logins will expire on Jan 1st, 2010 unless new membership dues are paid. *****

The Halloween Dash will mark the end of the 2009 Grand Prix Series. This will be your last chance to meet your eligibility requirements or to get last minute points. Go to the website to check your status. After the race, we will take the kids trick-or-treating in Ricky's neighborhood. This is a very safe environment. We will be serving cake, red beans, hot dogs and drinks. Please send in applications early so we can judge how much food is needed. As with all dashes, there are no T-shirts and awards are pick your own awards. Entry is \$5.00.

The 2010 membership applications are out and included in this mailout. They can also be found on the website. Please sign up early so that your login and password is not lost. The new Grand Prix series starts on November 14th. As always, remember to refer friends and family members to BRASS.

We are encouraging everyone to take part in the BRASS DOUBLE on November 14th. This is the official kickoff of the 2010 GRAND PRIX series and a chance to take control of your age group. If you complete both Thibodauxville 5K (8:00A.M. start) and the YMCA Downtown Fun Fest (3:30 P.M. start), not only will you receive Grand Prix points from those races **BUT ALSO** 3 bonus points for completing BOTH races. Both races have great festivals including entertainment, food, and craft fairs.

We are in the process of forming committees for the upcoming 2010 November or December Houma marathon. This is a huge undertaking that we cannot do by ourselves. Come be part of this special first time event. We need to fill committees for: sponsorships, logistics and volunteers. Please contact Chris if you are interested and able to fill one of these important rolls.

We are in need of volunteers. Putting on races takes lots of time and people. We like to have people at all mile splits and water stations, but it is not possible when the races do not have the volunteers. If you come to a race and have a family member or friend that is able to volunteer, please bring them. We can always find a place for them, and if not, they can always be part of the cheering section.

RACE FOR LIFE RESULTS
