Come join BRASS start the new year at the YMCA for the NEW YEARS DAY dash 2 miler. All who participate will receive 2 points towards the grand prix series. The YMCA will be closed that day, so we will only have access to outside facilities. Registration begins at 7:15 AM and race starts at 8:00 AM. Bring a friend to begin a journey towards a New Years Resolution.

Check the website next week for final details for a unique upcoming event. This event is to bring awareness to coastal restoration. There will be no set distance to run, and you can either in teams or join in along the way. We will run from Houma to Isle de Jean Charles. This is around 26 miles (marathon distance). This event is NOT a race and we are planning on running as a group. Maps will be on the website for jump in points along the way, or just join for the last 2 miles.
