is coming up on September 26th. The event will be at the Houma Civic Center. The main event is the a 2 mile run, 10 mile bike and a 2 mile run. The event can either be done individually or as a 2 person team. We will also offer a 2 mile run (the first leg of the 2-10-2). Michelob Ultra is the naming sponsor of the event. There will be lots of beer, food, drinks, door prizes and awards. Shirts will be a technical dri-fit shirt, so we encourage everyone to register early, even though the pre register period has ended. Anyone who has not yet registered but will be participating, please call or email immediately so we can get your shirt size. We will be ordering shirts soon and this will be the only way to make sure we will have your size. We are looking forward to seeing everyone there.
